EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claims 8, 9, 11 and 12, in the last line of each claim, the word "to" has been deleted and the word – at – inserted.

The above amendment is merely editorial in nature and is made for the sake of grammatical consistency. It does not affect the metes and bounds of the claim.

Oath/Declaration

The objection to the oath/declaration, outlined in the previous Office Action, is maintained for reasons of record. Applicant's arguments have been carefully considered, but are not persuasive.

As 37 CFR § 1.63 clearly states, the execution of an oath/declaration (the signature) is distinct from the identification of the inventor by name. Requirements 1) and 2) as listed under 37 CFR § 1.63 cannot be conflated so as to refer to one and the same thing (a signature) as maintained by applicant.

112 Rejections Withdrawn, FIRST PARAGRAPH

The rejection of claims 1-4 and 7-14 under 35 USC 112, first paragraph, outlined in the previous Office Action, has been overcome by applicant's amendment. The amendment narrows the independent claims such that the catalyst must be a nickel and/or cobalt-containing catalyst.

112 Rejections Withdrawn, SECOND PARAGRAPH

The rejection of claims 1-16 under 35 USC 112, second paragraph, outlined in the previous Office Action, has been overcome by applicant's amendment. The amendment cancels claims 5 and 15. With respect to claims 1-3 and 7-13, the amendment clarifies the claims as appropriate. With respect to the remaining claims, the rejection is moot.

Allowable Subject Matter

Claims 1-4, 6-14 and 16 are allowed for reasons of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
